

Thank you for your purchase!

12 Pack Solar Outdoor Light

Technical data

Requires 1 x 1.2V DC (1x Ni-Mh rechargeable battery, type AAA, 100mAh) (included)

Charging time: approx. 6 to 8 hours (in sunlight)

Product Contents:

Solar lights; Ground spikes (consisting of two parts each)

1. Take the stake out of the pipe, insert the two parts together, then mount onto the lamp holder.
2. The On/Off switch is located on the underside of the solar unit.
3. Push the switch to "On" position to activate the solar unit. To deactivate the solar light, push the On/Off switch to "Off" position to save energy.
4. During the day, the solar panel converts solar power into energy and stores in the rechargeable battery. At night, the light turns on automatically and uses stored energy.
5. The duration of illumination will depend on the geographical location, weather conditions and seasonal light availability. Choose an outdoor location where the solar panel can receive at least 6 hours of full and direct sunlight each day.

Our Warranty Statement

This warranty covers manufacturing defects associated with your new product. The product is warranted from the original purchase date and to the original purchaser for normal usage, according to the below-referenced specifications and limitations.

- Non-moving metal parts are warranted for 5 years.
- Component parts including pneumatic cylinder, control mechanism, base and casters are warranted for 2 years.
- All other items are warranted for 1 year.

Normal usage means use in compliance with the restrictions and weight limits specified for the product. In the absence of product-specific restrictions and weight limits, normal usage means use for no more than forty hours per week by persons weighing 250 lbs. or less. Coverage terminates if the product is sold or otherwise transferred. Repairs made by parties other than Belnick also void this warranty.

This warranty will not cover: (1) labor, freight, or damage from misuse, abuse, negligence, alteration, assembly, installation, attachments, accident, vandalism, acts of nature or any other event beyond the control of Belnick; (2) tearing, scratching, scuffing, or blemishing of leather or fabric; (3) cosmetic damage that may result from normal usage; (4) damage attributable to use by persons exceeding specified weight limits or commercial use exceeding forty hours per week; or (5) rust or other damage caused by exposure to moisture. The user assumes all risk of injury resulting from use of this product. Liability for incidental or consequential damage is excluded. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.
